

**Rosina's Winery** is located on 56 acres in the Hudson River Valley region, in Middletown, NY. Owner Michele Callisto, has always been passionate about wine. His dream of owning his own vineyard and making his own wine became a reality in 2016 with the purchase of the property in Middletown. The land is ideal for cultivating grapes with its east-facing slopes, silt loam, and well-drained soil, all of which contribute to the wine's distinct characteristics and unique profiles. Currently, we have over 8000 vines in production with variants including the Hudson Valley's first Barbera along with one of the first Syrah in the region. We proudly produce Pinot Noir, Cabernet Franc, Gamay Noir, Barbera, Syrah, Syrah Rosé, Rosato, Moscato, Pinot Grigio, Tocai Friulano and a Sparkling Rosé Wine.
